

WELCOME TO AACC!

Complete these required steps to be **RIVERHAWK** ready!

□ **APPLY TO AACC**

If you haven't already done this, visit our website to get started!

□ **SET UP YOUR COLLEGE MYAACC ACCOUNT**

You'll use the MyAACC website at **portal.aacc.edu** for many things. You can look up your grades, see college announcements, easily connect with your professors, advisors, financial aid experts, and more. Check your email for instructions. If you need assistance, call the Technical Call Center at 410-777-4357.

□ **SIGN UP FOR YOUR REQUIRED ORIENTATION**

You'll get everything you need to know - and more - for your first term! Visit **aacc.edu/ready** to sign up.

SAVE TIME AND EFFORT! COMPLETE THESE STEPS AT YOUR HIGH SCHOOL AS PART OF PERSONAL REGISTRATION DAYS.

□ **TAKE A PLACEMENT TEST**

Depending on your academic background, you may need to take a placement test in order to be placed in the right courses. Check with AACC's admissions office if you have SAT, ACT, AP or IB (International Baccalaureate) scores that may let you skip this step.

□ **MEET WITH AN ADVISOR**

Here's when you pick your classes and register for your first term. We'll connect you with an advisor who will help you plan and register for the right courses each term to keep you on track throughout your program.

□ **ATTEND ORIENTATION**

New student orientation will get you ready for starting college at AACC. You'll tour the campus in Arnold, find out how to monitor your progress, meet professors in your program, and learn how to view and make changes to your course schedule.

□ **MAKE YOUR PAYMENT AND EXPLORE FINANCIAL AID AND SCHOLARSHIPS**

We offer lots of ways to pay, including payment plans to fit your budget. It's never too early to explore the many financial aid and scholarship options available to you. Payment or payment arrangements must be made by July 10 in order to reserve your seat.

QUESTIONS?

Call your admissions counselor at **410-777-2677**.
