

Summer Programs-Parent Registration for Secondary Summer School

For Summer 2023 all programs are free and transportation is being provided from collector stops throughout the county. Parents will be able to accept a set for the following programs at www.aacps.org/summer for Secondary Summer School.

Accessing the public/parent online summer programs registration system

1. Click on the link to register for the Summer Programs the top of the page.
 - a. The dates for registration vary by program. Please visit the www.aacps.org/summer website for more details.

AACPS SUMMER PROGRAMS - 2022

Link will be in/around this area

AACPS has planned a wide range of summer programs for elementary, middle and high school students. Programs will be focused on helping students engage in enrichment or unfinished learning, with a focus on mathematics, literacy, and preparing for the next grade level. All programs will support students to have fun while building healthy relationships with peers, practicing skills, and learning new concepts.

Elementary and middle school programs will offer mathematics, literacy, cultural arts, movement, mindfulness, and co-curricular experiences. At the

You will see the Summer Programs registration system once clicking on the link. The online system will provide instructions to guide you through completing the registration process.
