## WHY TAM?

- Prepares high school students for further education and careers in the education profession, particularly as elementary and middle school teachers in critical shortage areas.
- TAM students have the opportunity to conduct formal observations, develop and deliver lesson plans in a PreK- 8 setting
- TAM students who successfully complete the program will prepare for and take the [ParaPro Exam](#).
- TAM students will have the opportunity to participate in [Educators Rising](#), a CTSO with intra-curricular learning opportunities integrated into existing education and training programs.
- [TAM Summer Leadership Institute](#) - Required two weeks of professional development for high school teachers to gain access to the TAM Curriculum.

## ADDITIONAL KEY POINTS

- Students who successfully complete TAM will be eligible for 3-6 post-secondary credits.
- In addition to completing the four TAM courses, TAM students are also required to complete a program portfolio.
